Place: Diamond Maintenance Training
Ferdinand Graf v. Zeppelinstr. 5
A-2700 Wr. Neustadt/AUSTRIA

Please Notice!

According to the Technify Operation- and Maintenance Manual all inspections and repairs on Centurion 1.7 & 2.0 engines have to be carried out by an organisation which is **authorised by TAE.**
It is required to visit the TAE maintenance seminar at the Technify Motors GmbH factory in Germany to become TAE authorized maintenance organisation according to the Service Bulletin „TAE 000-0003".
For dates of the courses and more information refer to their homepage: **www.continentaldiesel.com**
