### ***Terms and Conditions of Use***

The **electronic checklist** and the **paper checklist** are Recommended Operator Checklists and are for reference only.

They are not a substitute for and do not supersede the current approved Airplane Flight Manual or any of its supplements or parts thereof, or any training or procedures required by any regulatory or advisory bodies.

The electronic checklist and the paper checklist may not contain all procedures shown in the Airplane Flight Manual. For a comprehensive listing of all procedures consult the Airplane Flight Manual.

Use of the checklists is at the user's sole risk and discretion.

Any possible liability of Diamond Aircraft for any damages, injury or death resulting from its use is excluded.

All such terms and conditions shall be deemed to be explicitly accepted in full by using any of the checklists.

If you do not understand, or if you disagree with, any of the above terms and conditions and in any jurisdiction that does not give effect to all provisions of these terms and conditions any use of the checklists is not permitted.

### ***Paper checklist***

The paper checklist is compiled according the guidelines of GAMA Specification No.1, SECTION 3, para 3.5, SECTION 3A, para 3A.5 and SECTION 4, para 4.5.

The "Amplified Normal Procedures", „Amplified Emergency Procedures“ and „Amplified Abnormal Procedures“ according GAMA Specification No. 1 are in the DA40 Airplane Flight Manual Chapters 4A, 3 and 4B.

This checklist also serves as a back up for the electronic checklist in case the G1000 MFD is not available.

### ***Electronic checklist***

Before using the electronic checklist on the G1000 the following sections have to be completed using the paper checklist:

- Preflight interior + exterior
- Preflight exterior
- Check before engine start items down to and including "Electric Master – ON" (the "panel sweep", may be completed by heart)

### ***Downloading and installation procedure***

Download and save the Checklist-PDF and the "chklist.ace"-file in your PC, e.g. on the desktop.

#### **Paper checklist:**

For opening and printing the paper checklist – pdf you need the Adobe Reader.

Paper checklists will be published in 2 formats:

- single-page A4: this will give you more flexibility to arrange the printout according your preferences (shrinking, duplex etc.);
- 2 A5–pages placed on one A4 sheet.

#### **Electronic checklist:**

- Remove the Terrain Data SD card from your MFD (i.e. the card in the lower slot).
- With the card loader copy the "chklist.ace"-file to the SD card. Be careful that the files already on the SD card are not changed in any way!
- Re-insert the SD card in the MFD (lower slot).
- On the next power up the electronic checklist will be available.
