	HK 36 T	Parts Catalog
---	---------	---------------

Preface

This catalog contains spare parts of the HK 36 T series manufactured in 1996 or later. Serial numbers applicability is specified for each unit.

The numbering of the spare part groups and the page numbers are the same. "D" stands for data pages, while "P" stands for picture pages. "D"-pages should be perforated on the left margin and "P"-pages on the right margin.

The material presented in this catalog is divided into chapters. All pages are listed in the "List of Effective Pages", the corresponding paragraph titles are given in the table of contents on the first page of each chapter.

Any revision of this catalog should be confirmed in the Revision Check List.
