

## **DA42 Series (Technify)**

### Type Training (practical-course)

**Note:** This training is the second part of the approved Type Training course and the theoretical course must be finished before you can start with the practical training!

**calendarweek 38 + 39** (17.September - 28.September 2018)

Fee for the practical-training (per person): **Euro 4.740,--** (incl. 20% VAT)

**Bank transfer deadline: 13.August 2018**

The **DA42 Series (Technify)** Type Training course is in compliance with

### **EASA - (EU) No 1321/2014 Part66/Appendix III - Type Training B1.2, C - Piston Engine**

This training contains all relevant ATA-chapters which are required for type licensing of the **Diamond DA42 Series (Technify)** airplanes and is created for technicians, which want to enter this airplane in their EASA Part66 - B1.2, C - Aircraft Maintenance Licence.

For non EASA members:

It is strongly recommended for licensing that you always get in contact with your National Authority before you start the training!

**Course duration:** 60 hours (10 days)

**Course level:** Line and Base Maintenance B1.2 / Level 3

**Course start:** 09.00 a.m. local time

**Participants:** minimum 4, maximum 10 persons

**Note:** We reserve the right to cancel a course if there are not enough participants. In this case we will propose an alternative date.

**Place:** Diamond Maintenance Training  
Ferdinand Graf v. Zeppelinstr. 5  
A-2700 Wr. Neustadt/AUSTRIA

#### **Please Notice!**

According to the Technify Operation- and Maintenance Manual all inspections and repairs on Centurion 1.7 & 2.0 engines have to be carried out by an organisation which is **authorised by TAE**. **It is required to visit the TAE maintenance seminar at the Technify Motors GmbH factory in Germany to become TAE authorized maintenance organisation according to the Service Bulletin „TAE 000-0003“.** For dates of the courses and more information refer to their homepage: [www.continentaldiesel.com](http://www.continentaldiesel.com)
