

DA62 (Austro Engine)

Type Training (practical-course)

Note: This training is the second part of the approved Type Training course and the theoretical course must be finished before you can start with the practical training!

calendarweek 41+42 (09.October - 20.October 2017)

Fee for the practical-training (per person): **Euro 4.740,--** (incl. 20% VAT)

Bank transfer deadline: 15.September 2017

The **DA62 (Austro Engine)** Type Training course is in compliance with

EASA - (EU) No 1321/2014 Part66/Appendix III - Type Training B1.2, C - Piston Engine

This training contains all relevant ATA-chapters which are required for type licensing of the **Diamond DA62 (Austro Engine)** airplanes and is created for technicians, which want to enter this airplane in their EASA Part66 - B1.2, C - Aircraft Maintenance Licence.

For non EASA members:

It is strongly recommended for licensing that you always get in contact with your National Authority before you start the training!

Course duration: 60 hours (10 days)

Course level: Line and Base Maintenance B1.2 / Level 3

Course start: 09.00 a.m. local time

Participants: minimum 4 persons (max.10 pers.)

Note: We reserve the right to cancel a course if there are not enough participants. In this case we will propose an alternative date.

Place: Diamond Maintenance Training
Ferdinand Graf v. Zeppelinstr. 5
A-2700 Wr. Neustadt/AUSTRIA

Please Notice!

According to the Austro Engine Maintenance Manual all inspections and repairs on the AE300 engine have to be carried out by an organisation which is authorised by Austro Engine.

This course is created together with  **Austro Engine** and covers this requirements for AE Service Center.
